MEMORANDUM FOR: Deputy Director for Administration

FROM: Harry E. Fitzwater
Director of Personnel

SUBJECT: Office of Personnel Weekly Report
Week Ending 19 December 1979

1. Recruiting Engineers: In the December 1979 issue of "Recruiting 80" the College Placement Council reports that a recent recruiting survey shows a strong market is projected for engineering graduates in 1980: "At the bachelor's level, engineering hires are expected to increase 26 percent over last year. The master's level reported a 22 percent rise and the doctoral level a 57 percent gain. The science, math and other technical category also reported healthy increases. All three degree levels showed improvements for an overall increase in hiring of 16 percent when compared with last year." (U)

2. Retirement Activity: The figures shown below represent those employees who have signed for retirement during the months indicated:
